## PASTOR'S COLUMN

**THANK YOU:** Thanks to all those who have responded so far to my letter making an appeal for funds to help with the cost of the Air Conditioning system. There is still plenty of time to make your gift to this appeal. We are using the CSA envelopes for this appeal as this is a parish maintenance project.

**SECOND COLLECTIONS:** Since we do not have physical collections during mass, please use the envelopes in your packets for any second collections. You can place all your envelopes in the baskets at the front of the sanctuary.

**CATHOLIC EDUCATION COLLECTION:** On the weekend of September 19-20, there is an envelope in your packet for Catholic Education. This collection is important for our Catholic Schools and our Religious Education Program. Half of this collection stays here in the parish to support our Religious Education Program.

**FALL RAFFLE:** We will again be holding our Fall Raffle. The Raffle will be held October 3, 2020. Tickets are \$100 each and will be available beginning in July. Prizes are \$10,000, \$2,000, and \$1,000. Order forms for tickets are at the exits of the church and on our parish website at [www.stjosephs-sharon.org](http://www.stjosephs-sharon.org). Order forms can be placed in the collection basket or mailed to the parish office. Thanks to all those who have supported this Raffle in the past and best of luck in this year's Raffle.

**SELF-QUARANTINE:** Summer is usually a time for people to travel for vacation. If you are traveling to one of the COVID-19 "hot spots" you should self-quarantine for at least 14 days. This should also include a quarantine from attending Mass. We need to be careful in order to protect one another and especially those who are most vulnerable.

**RECEIVING COMMUNION:** I have said this from the pulpit and written it in the bulletin and even said it to people as they come up to communion: PLEASE KEEP YOUR HAND FLAT TO RECEIVE COMMUNION. Your other hand should be UNDERNEATH YOUR FLAT HAND. If you are right-handed, your left hand should be on top and FLAT and your right hand should be UNDERNEATH your left hand. Most people are doing this correctly, but some people are still not keeping their hand flat and are reaching for the host before I can pull my hand away and thus touching me. You should not be reaching for the host until you have stepped to the side and are ready to consume the host. Please be attentive to this.

**HOW YOU CAN HELP:** I am grateful to those who are helping to clean and sanitize the church after Masses.

- Bulletins – when you are finished with your bulletin either take it home or throw it away. There are waste cans at each exit. Please do not leave them in the pew. That means more work for those who are cleaning and sanitizing.
- Candy Wrappers – please put them in the garbage can, not in the plastic or wooden holders in the pews.

**NOT A RETURN TO NORMAL:** We have been open for a few weeks for daily and weekend Masses, **but this is not a return to normal.**

Bishop Persico has given us permission to begin public Masses, **if people follow the protocols that have been put in place.** Those protocols can be viewed on the diocesan website [www.eriecnd.org](http://www.eriecnd.org) and our parish website <http://www.stjosephs-sharon.org/>. The dispensation from the obligation to attend Sunday Mass and Holyday Mass is still in effect. Those who are ill or who are at risk should remain at home and continue to use the television or internet Masses that continue to be made available.

- Confessions are being heard on Saturday from 4:00 to 4:30. Because of the restrictions of COVID-19 we are not able to use the confessionals. Confessions are in the main body of the church in front of the confessional, masks are required, and six feet of distance needs to be maintained between the priest and the person confessing. People are asked to sit in the section near the organ to wait for confession. **Because of this the church is not available for others to come and pray at this time in order to give privacy to those wishing to go to confession.**
- The doors for Masses on the weekend are propped open so you do not have to touch the doors. **The doors are opened one half hour before Masses.** We have mice, squirrels, skunks, birds, and a host of other creatures that lurk around the church and thus cannot leave the doors open 24/7. We have not returned to normal. Please plan to arrive in that half hour before Mass starts.
- **GENERAL RULES FOR MASS:** Masks are to be worn by everyone. Social distancing – six feet apart – must always be maintained – even when in line for communion and when entering and leaving the church.

*Pastor's notes continued...*

Families in the same household may sit together. Pews will be taped off to indicate where you can and cannot sit. Hand sanitizer is available at each entrance and you are encouraged to bring your own in preparation for communion. We are only permitted to use 1/3 of the church capacity. There will be no collection basket passed, but there will be baskets at the front of church to put your envelopes in either before or after mass. Communion is strongly encouraged to be received in the hand. People should come to Church and find a place to sit and not gather to talk. After Mass people should leave in an orderly fashion keeping the appropriate distance from each other. People should go immediately to their cars and leave and not gather in groups that will block exits and cause people to come into close contact. Please avoid contact with surfaces. Doors and pews will be sanitized after each mass.

- People have been particularly good about leaving after Mass is over so we can clean and sanitize the church.
- I realize these are an inconvenience to everyone, but we need to be very diligent about protecting others. Think of others first.

**LATEST INFORMATION:** The best place to find the latest information is our parish APP or the parish website. You can connect this App to your phone by texting APP to 88202. This App is FREE. This was something the diocese paid to let all parishes and parishioners stay connected about two years ago. Some people, including me, have experienced the Sunday readings not being up to date. The best fix seems to be to uninstall the App and reinstall it.

Our parish website will also be a place for the parish bulletin and other information <http://www.stjosephs-sharon.org/>

**ST. JOSEPH PARISH MASS ONLINE:** <https://youtu.be/qI8s6A8BaTU>

**PARISH OFFICE:** To do business with the parish office, please call the office between 8:30am and 4:30pm. The office is not open for walk-in business.

**BOOK RECOMMENDATION:** I have been reading “Becoming an Ordinary Mystic” by Albert Hasse, OFM. I highly recommend this book on spirituality and prayer. It is an easy read with extremely helpful examples.

**REFLECTION ON THE READINGS:** Our readings today are a testament to integrity of purpose.

In the first reading Jeremiah complains to God that this role he has as a prophet is maybe too much for him. He suffers greatly for the message he preaches. He speaks out against the abuse of power by those in positions of authority over those who are much weaker and poorer. It is not unlike the treatment of the poor and most vulnerable in our own time. Jeremiah wants to quit but he finds the message to be one that is too important not to stand up for.

In the Gospel, Jesus speaks about how the message he proclaims will be one that leads to crucifixion and death. Peter tries to talk Jesus out of the preaching this message. Jesus reminds us that God has asked the prophets to speak this message before him, and he must now follow their example and speak the same message.

This is a consoling passage for all of us because Jesus does not ask us to do something that he himself was unwilling to do. In the most difficult of times we have Jesus as an example of fidelity and integrity to God's call and God's care for the weakest and poorest among us.

**ST. JOSEPH PARISH PRAYER LINE –VOLUNTEERS** The Prayer Line is a special chain of people that in your time of prayerful needs branch out to each other and begin to pray immediately for the sick. If you are someone who can pray for the sick or one who physically cannot volunteer but still feels the desire to volunteer, please consider becoming a volunteer for our Prayer Line. There are no meetings to attend, only a phone call from our prayer chain leader. To become part of the prayer chain team, please call the church office at 724-981-3232.

**WEST HILL MINISTRIES PROGRAM** at St. Joseph's site will not be resuming until January 2021. This tentative date is pending based on Covid-19 circumstances at that time. We want to take this time to thank all who have supported the program in the past and look forward to your ongoing support. With the grace of God and with your continual prayers, this much needed program will continue in January. God bless and thank you all.

**\*\*RELIGIOUS EDUCATION INFO\*\*** I hope you are well and safe. Regarding Faith Formation classes (CCD), we are exploring two or three possibilities or a combination of a couple of them. As soon as we have chosen them, you will be notified and then you will be able to make a choice. Taking into consideration what families are going through to coordinate this way of “new schooling”, we will be delaying the beginning of classes until the latter part of September or the first part of October. Thank you for your patience and understanding. Peace, Sr. Sandy

### **SPIRITUAL COMMUNION PRAYER**

My Jesus, I believe that You are present in the Most Blessed Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot now receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.
